

Safon Cydraddoldeb Hil y Gweithlu i Gymru

Mae pob unigolyn a phob sefydliad yng Nghymru yn elwa ar gael gweithlu cyfiawn, cynhwysol ac atebol yn y maes lechyd a Gofal Cymdeithasol.

Mae gennych rôl hanfodol wrth ysgogi'r newid hwn, ac mae dwy ffordd o wneud hynny.

Yn gyntaf, drwy wneud eich data'n weladwy ar y cofnod staff electronig, ac yn ail, drwy rannu eich profiadau yn yr arolygon staff cenedlaethol dienw.

Bydd eich ymatebion i'r Arolwg Staff a'ch data bob amser yn ddienw ac ni fydd modd eich adnabod. Ni fydd yn bosibl cysylltu eich ymateb i'r arolwg â'ch data cofnod staff.

Workforce Race Equality Standard for Wales

Every person and every organisation in Wales benefits from having a just, inclusive and accountable workforce in Health and Social Care.

You have a critical role in driving this change in two ways.

Firstly by making your data visible on the electronic staff record, and secondly by sharing your experience in the anonymised national staff surveys.

Your Staff Survey responses and data will always be anonymous and unidentifiable. It will not be possible to link your survey response to your staff record data.
